Dear Sponsors of the Optimistic Club Scholarship Program,

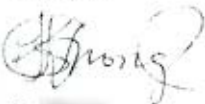

Thank you for your generosity in choosing me as a 2004 Optimistic Club Scholarship winner. This is my first scholarship, and it means so much to me that I cannot smile without wanting to cry all at once.

My college choices have been greatly affected by financial concerns, but because of your generosity, I am reconsidering my decisions. You have given me hope and your support has made me even more ambitious to succeed!

Please accept my most gracious gratitude, and do not hesitate to contact me in any case that I can be of any help. I will be more than glad to lend a hand any time. My e-mail is

Once again, thank you.

Sincerely,

Ka
