Dear Sponsors of The Optimist Club of St. Paul,

Thank you all for giving me this opportunity to be honored by The Optimist Club.

This means a lot to me knowing that there are generous people out there who are willing to do anything just to help youth succeed in the future.

With this scholarship, I know that I can go on to college, succeed in everything I do, become someone, and give back to my community.

Again, I would like to give you all a thousand "Thank You's" for helping me with my future educational expenses and opening doors for my future.

Sincerely,

Somy
